

Waiting List Application Form

This form is to be completed by the parents wishing to enlist their child on the **Bright Beginnings Waiting List**. There is a non refundable fee of **\$50.00 (cheques to be made out to "Bright Beginnings")** to go on the waiting list for monthly maintenance and administration cost due to wait list demands. We can not guarantee spots for the exact date that you would need care. One factor that determines availability of spaces would be if the daycare did in fact have openings, for which age group and birth date of the child required. We highly suggest that you go visit other daycares and go on other wait lists as well so you are not in the situation of having no childcare when you need it. If you would like a tour of **Bright Beginnings** and have any questions, feel free to let us know.
