Bright Beginnings Community Report 2014

Message from the Chair and the Executive Director

During the past year Bright Beginnings continued to evolve its educational program offerings while focusing on developmental milestones for each age group. This enhanced focus will prepare the children to meet future challenges with confidence and strength as they take the next steps in their journey through life.

Bright Beginnings reached a number of major milestones this year including graduating its first pre-school class, issuing quarterly updates to parents and expanding its exterior play area to include an expansive green space, among other achievements.

As Bright Beginnings continues to evolve, the board of directors is encouraged by the steadfast commitment of staff in providing exceptional care for the children, while demonstrating enthusiasm for new and innovative programming enhancements.

The board will work with staff ensuring continued progress by focusing on strategic planning, enhancing board governance, reviewing communication and marketing strategies as well as further development of the core curriculum.

As always, Bright Beginnings staff and the board welcomes your feedback. Please feel free to contact Bright Beginnings at any time with your comments, suggestions or concerns.

Best regards,

Erik Matchett
Chair, Bright Beginnings Board of Directors
